

Library iPod Use Approval

The Frostig School library makes iPods available for student use. These iPods are to be used ONLY for listening to the books already downloaded on the device. Under no circumstances will students be allowed to download additional books or music onto this equipment. Before your student can check out an iPod, it is imperative that you discuss with him/her the responsibilities that go along with caring for this technology. If the iPod or its components are damaged, misused or lost, it is your responsibility to pay for the replacement.

iPod	\$129.00
Cover	\$5.00
<u>Tax @10.5%</u>	<u>\$13.55</u>
Total replacement cost:	\$147.55

When a student checks out an iPod, they will receive a copy of the guidelines regarding the care and use of this equipment. In order for your child to begin checking out an iPod, please fill out the permission form below and return it with this packet. If you have any questions before signing this form, please feel free to contact Jenny Tucker Mottes, Principal, at 626.791.1255 or jenny@frostig.org.

I understand that I am responsible for this equipment and will return it to the Frostig School library as soon as my child is finished using it. I will assume the responsibility for any loss or damage to the iPod.
