## Back to School!

And just like that—summer has come to an end and school is back in session! Frostig began the first week of school on Monday, August 15th this year. Frostig Pasadena began the year with 106 students and Frostig School West opened with 18 students. We welcomed many new students to campus like first grader Griffith, pictured above. We were also so happy to see our familiar faces back on campus after lots of summer fun and are looking forward to reporting to you on a great school year ahead!

## Meet Our New Staff!

We are so excited to welcome all of our new staff to campus this year. Our new IEP and Admissions Coordinator is Jimmy Fernandez, pictured on the bottom left. On the bottom right, is our Sr. Staff Accountant, James York. Kevin Greene and Jenna Pan are two of our new elementary teaching assistants – pictured on the top right and top middle. Finally, to add to the development team, Julia Hodgdon, pictured on the left, is Frostig's newest Marketing and Communications Manager. Welcome to Frostig!

## Frostig Receives Silver Level PBIS Implementation Award

For the 2021–2022 school year, the Frostig Center has been awarded the Silver Level PBIS Implementation Award by the California PBIS Coalition. The presentation of this award is due to Frostig's excellence in demonstrating core features of Positive Behavior Interventions and Supports for our students. We are very proud of our PBIS Leadership Team who are already working towards

the Gold Award! [To learn more about how Frostig uses PBIS to support students social and emotional growth, click here!](#)

## A Message From Our Executive Director

### Welcome to the 2022-2023 school year!

As summer comes to an end, we are so excited to jump into the '22-'23 school year with our Falcon Family. I hope each of you got to enjoy special time with friends and family over the summer. This year at Frostig will look a bit different than the past couple of years, as we will be having more **in-person events**. This means our community can reunite and connect more in support of our students. I look forward to seeing your smiles and making new memories with you all this year!
